Sir,

Enclosures _____

Transfer - land - Bellary taluk and town - S.No. 499-15 and 16 - Registration and Forest departments to Veterinary Department - report submitted.

The Special Officer, Town Survey, Bellary, reports that portions of S.Nos. 499(B) and (C) of Bellary town, which stand registered in the names of the Registration and Forest Departments respectively, were taken for the quarters of the Veterinary Surgeon and Veterinary Hospital building respectively in about the year 1928. At the time of constructing the Surgeon's quarters and the hospital building, the consents of the District Registrar and the Conservator of Forests, Bellary were obtained (pages 83 to 86 of R.Dis. 4710/26) for taking 0-32 A C and 2-22 A C of land from their respective office compounds. The extents of land taken for the Veterinary Department from the Registration and Forest Departments according to the sub division records now prepared are 0-49 A C and 1-76 A C. The sub divisions are denoted as S.Nos. 499-15 and 499-16 respectively. As compound walls have been raised all round the hospital building and the Surgeon's quarters, I consider it unnecesaary to consult the heads of the departments concerned again. The extents actually taken up according to the sub division records only slightly

B-3828-38.

Transfer lands - Bellary Dn + Taluk - S. Nos. 499/15 + 499/16 - Registration and Forest Depts. to the Veterinary Dept. -

B 3828-38 - Bellary Collr's. Rc 2938/28-1 d. 1-8-38.

Portions of S. Nos. 499/1+2 belonging to the Registration & Forest Departments were given up in the year 1927 for the location of a Veterinary Hospital. The actual portion covering 0-49 + 1-76 acres have now been measured as S. Nos. 499/15+16 respectively. A Compound wall has been erected and the buildings for the Hospital and for the Veterinary Assistants' quarters have also been constructed on the site. The Collr. reports that the consent of the heads of the offices had been obtained in the year 1927, and that there is no need to consult the heads of departments again and accordingly recommends that the lands may be transferred to the Veterinary Dept.

As the lands are in the occupation of the Veterinary Dept., the Govt. may be moved to sanction the transfer.
